### **Two Argos Compete at MSU Combined Events Meet**

**Bozeman, Mont.** – Earlier this week University of Great Falls track and field athletes, Petey Davis and Emily Busby, competed in the Montana State University Combined Events Meet held in the Brick Breeden Fieldhouse on the MSU campus.

Davis finished sixth scoring 2,675 points while Busby placed seventh overall with 2,413 points. The two competed against five other athletes from MSU and UM in the pentathlon which consists of five events: 55 meter hurdles, high jump, shot put, long jump, and 800 meters.

“It was a great way to kick off our indoor season,” said UGF track and field director Paul Johnson. “It gave our two young ladies an opportunity to see great competition so they could get an idea of what it takes to compete in events like this. I was really proud of their efforts!”

Davis set new UGF indoor track and field records in the 55 hurdles, long jump, and pentathlon point total.

Montana’s Lindsey Hall won the event with 3,882 points.
